Early Career and Milestones:

Before founding Aalps Wealth India Pvt. Ltd. In 2012, Rahul worked at HDFC Bank and ICICI Bank, making significant contributions to wealth management. His innovative approach and leadership were evident early in his career, helping him achieve notable success.

Featured in many social magazines:

Rahul has been featured in many social magazines including Dalal Street and recently he was recognized by Outlook Business Magazine and Economic Times as one of the "Young Titans of the Mutual Fund Industry" by the Economic Times News Markets. This accolade highlights his significant contributions and influence in the financial sector.

The Economic Times - June 27' 2024

Motivated by a passion for financial planning and a desire to help people achieve financial literacy. Seeing the lack of personalized financial advisory services in the market and created a firm offering customized solutions to meet diverse client needs. Thus, Aalps Wealth India Pvt Ltd was conceptualized, and since then, it has been an incredible blend of learning, growth, and achievement.

Business Outlook Nov'24 edition

The key to successful investment is patience. if one does not panic unnecessarily and remains focused on goals without breaking discipline and regularity, Mutual funds could do wonders. infact any goal be it children's education, owning a house , retirement planning or short term goals like annual trips - all can be achieved through mutual funds.
